Miss Eliza Lord, who is reputed to be the earliest graduate of a woman's college, indorsed Miss Hill's plea, saying that the safety of the suffrage cause depends upon a full presentation in school histories of the phases of woman's work in the past, It was announced that representations will soon be made to the board of education that "women's part in the constructive work of the United States, as a nation, be treated as facts in history, and not as side issues."

ed as facts in history, and not as side issues."

Miss Lucy Burns, vice chairman of the Congressional Union, argued that while the introduction of the Shafroth bill in Congress, as a substitute measure for the bill recently defeated in the Senate, can do no actual harm to the suffrage movement, it indicates a lack of courage and confidence in the effort to get nation-wide suffrage by federal enactment.

"The Senate vote justifies the attitude of the Congressional Union" she said. "and proves that suffrage has made great strides in Congress during the last year. The Shafroth bill is inadequate in that through it we gain nothing but the right to appeal to the electors of the states."

SENATE REVERSES ITSELF.

Agrees to Consider Bill Which Was

Recently Defeated. The Senate reversed itself today on the bill proposing to lease or sell to the Re-public Coal Company, a subsidiary of the

hicago, Milwaukee and St. Paul railroad, coal rights on about 2,000 acres of Montana lands. The measure was de-feated last week, 28 to 27, but a motion to reconsider today prevailed, 30 to 24. Senator Walsh urged that the bill go to the calendar, as the general bill pro viding a leasing system for all coal lands might be enacted within a month, makviding a leasing system for all coal lands might be enacted within a month, mak-ing special legislation unnecessary. Sen-ator Myers agreed to this proposal. The Republic Coal Company supplies fuel for the railroad only, and the bill would specifically limit it to that market.

REPUDIATION OF DEBTS IS HELD UNJUSTIFIABLE

Nine Southern States Owe British Bondholders \$75,000,000, Says Report of Council.

Repudiation of debts to foreign bondnolders, especially Britons, is denounced as inadequate and unjustifiable in a report of the council of the Corporation of Foreign Bondholders. The report is signed by Viscount Goschen.

as chairman. Nine southern states owe British bondholders more than \$75,000,000, not is including interest. These debts have been in default for periods varying from forty to seventy years.

The Corporation of Foreign Bondholders was organized forty years ago to protect the interests of holders of foreign securities. It has for years had cign securities. It has for years had nine states of the Union and two Cen-tral American republics on its black list as defaulters in payment of bonds.

Whether the actual deficit amounted to that much or not cannot be determined until all the accounts for the quarter have been audited, so that the statement is rather in the nature of a trial balance.

The statement also shows, in the same way, that during the quarter 21.636.48 domestic money orders, valued at \$1.54.674,919.91, were issued, and 903.463 orders payable abroad, valued at \$1.55,870,102.10. NEW YORK, March 30 -J. Eads Howe Brotherhood Welfare Association, has written to Alexander Law, secretary of the association, that he is arranging with his followers for a national demonstration at Washington May 1 in connection with Coxey's army. The attention of Postmaster General Burleson was directed today to the statenent that the audited expenditures of the
